

Class Guide

For more information see the class listings on our website at www.scottishculture.org where you will also find tutor information and profiles. If you are unsure of your level, stop by our enrolment nights to chat to our staff and some of our tutors.

You do not need to be an expert to join in our classes! Using the Level Guide and the online class descriptions, assess which class best suits your ability level. Music classes are mainly taught by ear but, at the tutor's discretion, written music is often provided as an aid.

Classes run from 7pm to 9pm with a break around 8pm.

Level Guide

Beginners: Complete beginners are accepted in the September enrolment in Level 0 and designated Level 1 classes only.

Level 1: Basic entry level, suitable for the less proficient or inexperienced. Participants need not be very competent at their instrument, but should not be complete beginners.

Level 2: An intermediate or 'improvers' level course for those who have some skill already and want to progress. Tuition is at a faster pace than level 1.

Level 3: Participants are expected to be competent at their instrument and confident at playing some pieces at performance level. Tuition will be at a faster pace and with emphasis on building repertoire as well as technique.

By Audition: Due to the need to form a balanced group, participants must apply to the tutor prior to enrolment and will be called for audition.
